The hole-sequencing at Eagle Rock using a March 2016 Google Earth aerial.

Course is built along the mountain starting Hole 1 at a high point and plays towards the bottom of mountain at Hole 9. After Hole 10, course starts gradually to play upward. From Hole 14 to 18 it becomes steeper and these holes all have lifted greens and more tilt from back to front. This makes those hole very challenging.

ACKNOWLEDGEMENTS

First special thanks for Jeff to host and organize the tournament so we had a good time together and enjoyed Arnold Palmer designed golf course. Jeff also provided attractive awards for each run to make the game more fun and more competitive.

Secondly, we want to thank Alex's generous donations and Lin family special design red pocket envelops.

Finally, we want to send our appreciation to our drivers – Robert and Alex. They saved us more energy for playing the games. Also, everyone made efforts to share tasks and made the trip very smooth. Sectary Henry booked hotel and Treasurer Jack did a good job in bookkeeping; Brian and Yubing provided our essential mineral waters for each run; Dan booked restaurants Everyone had a good time in four days and looking forward for the fall trip.
